Investing Transaction Costs (ITC) update

The ITC is not charged or retained by Lifeplan. The ITC (equivalent to a buy/sell spread) is charged by the fund manager of each investment option to ensure that each investor shares the transaction costs associated with their investment decision to either enter or exit an investment option.

We are regularly monitoring these underlying fund managers' ITCs and we will update you of any changes via our website australianunity.com.au/wealth

Investment Options	Buy	Sell	Current ITC	Effective date
