

# Future of Healthcare Fund

**Victor Windeyer**  
Fund Manager

**Victor joined Australian Unity in 2020. He was previously in an advisory role at QIC Private Capital, where he originated and completed Nexus Day Hospitals, QIC Global Infrastructure's first major investment in the healthcare sector.**

Before this, he spent eight years at Citigroup, where he led the Australian healthcare equities research team. Victor brings extensive technical knowledge. He was General Manager and Chief Operating Officer at listed medical device company Sunshine Heart (now CHF Solutions), and held senior roles at Ventracor, Vision Systems and Cochlear.

Victor holds a Bachelor of Mechanical Engineering (Mechatronics) from University of Sydney, Graduate Certificate in Management from the University of NSW, and Graduate Company Directors Course from Australian Institute of Company Directors. Victor is a Director of Austral Bionics, BronchoDx, and Venstra Medical.

**Sam Walker**  
Assistant Portfolio  
Manager

**Sam joined Australian Unity in 2014, and is an Assistant Portfolio Manager.**

In his role, he is responsible for supporting the portfolio managers in managing the day-to-day operations of various funds, with a focus on the Future of Healthcare Fund. With years of experience in the industry, Sam has extensive knowledge of managing property, fixed-interest, diversified portfolios, and prudentially regulated portfolios.

Before joining Australian Unity, Sam honed his skills in middle and front-office roles at high-net-worth portfolio advisory and funds management firms. He holds a Bachelor of Commerce (Finance and Economics) and a Master of Applied Finance from Kaplan Professional. In 2014, Sam was admitted to the Chartered Financial Analyst Institute as a charter holder.

**James Jones**  
Senior Analyst

**James joined the Future of Healthcare Fund in 2021. He is a seasoned pharmaceutical executive with a depth of healthcare experience across global, US and local markets.**

James is highly experienced across a diversity of businesses, including rare diseases, speciality, primary care, and board directorships.

James has worked with government and key policy makers to secure product reimbursement, as well as providing input to future health policies for long-term industry sustainability. He was a Board Director of Medicines Australia and Board Director of Consumer Health Products Australia.

He has extensive country management experience and expertise in leading cultural change, post-merger business integration and restructuring, strategic planning and product portfolio reviews, talent management and team development to drive company performance and financial results.
