

# Australian Unity Kids Saver Account Target Market Determination

This target market determination (“TMD”) provides information to customers, distributors and Australian Unity staff to understand the class of consumers this product is designed for and our approach to determining that the product is likely to be consistent with the likely objectives, financial situation and needs of the customers to whom the product is distributed.

This TMD does not provide an exhaustive list of the features and terms of the product. This TMD should be read in conjunction with the product’s terms and conditions, available at [australianunity.com.au/banking/terms-and-conditions](http://australianunity.com.au/banking/terms-and-conditions) (“Terms and Conditions”). This TMD has been prepared without taking into account any person’s individual needs, objectives, or financial situation.

In this document the terms “Australian Unity”, “we” and “our” refer to the Issuer.

## Target Market of the product

The target market for this product is parents or guardians seeking a savings account for their child, which encourages them to save money by rewarding them with bonus interest during months when a minimum monthly deposit and no withdrawals occur.

The likely objectives, financial situation and needs of consumers in the target market include persons who:

- are looking for an interest-bearing savings account for their child
- want to earn bonus interest by depositing a minimum monthly amount into their child's account without making any withdrawals that month,
- want access to the savings account via internet banking and a mobile app

This product is not suitable for people who want:

- ✗ an everyday transaction account to pay for goods and services,
- ✗ a savings account, but are over 14 years of age,
- ✗ to earn bonus interest on funds over \$20,000 (bonus interest only applies on balances up to \$20,000. Funds exceeding \$20,000 do not receive bonus interest)

## Distribution Conditions

1. The product is only distributed via the following channels:
  - Digital Online
  - Contact Centre
  - Direct Sales at Australian Unity
2. Products under this TMD can only be issued to consumers who are eligible for the product in accordance with Australian Unity's product application process.
3. Products under this TMD can only be distributed directly by Australian Unity.

We consider that the distribution conditions will make it more likely that the consumers who acquire the product are in the target market because only Australian Unity is authorised to distribute the product and all applications are assessed by Australian Unity prior to the product being issued.

## Review Triggers

This TMD must be reviewed where any event or circumstance is identified by us or is notified to us that would reasonably suggest the TMD is no longer appropriate. This may include (but is not limited to):

- Identified systemic issues that indicate that the product is no longer appropriate for the target market.
- A significant number of complaints is received from customers in relation to their purchase or use of the product that reasonably suggests that the TMD is no longer appropriate.
- A material change to the product, the terms and conditions of the product or its distribution occurs, which would cause the TMD to no longer be appropriate.
- Any significant dealings that are inconsistent with the TMD.
- Relevant industry feedback, information or notification received from a distributor, industry body or regulator, which would reasonably suggest the TMD is no longer appropriate.
